Gentlemen's Scholarship

Kappa Alpha Order is a way of life significant to the development of young men. Emulating chivalric ideals and genteel ethics, KA translates these timeless philosophies into the mainstream of American colleges and universities. These gentlemanly traits are the hallmark for the men of KA. The philosophy of our Order is that the acquisition of knowledge and the development of character are great goals in life. Through fellowship and brotherhood, KA seeks to teach young men to be leaders who are brave, self reliant, and who continually strive to better themselves.

The Kappa Alpha Gentlemen's Scholarship was created to honor men who have shown outstanding achievement as an individual in scholarship, leadership, and community service while in high school, all while exemplifying the characteristics of a gentleman. Applicants do not have to be interested in joining KA to be considered for this scholarship.
